**Students:** As you know next Thursday, May 31st, is the Senior prom. Any student wishing to leave early must have a note in to the attendance office no later than the day before, Wednesday May 30th, or you will not be permitted to leave early. Please remember that no one is allowed to leave prior to 12:00 noon. If anyone leaves earlier than that you will be required to come back to school and make up the time. The afternoon absences are not excused. All students leaving must sign out on the ipad at the attendance office. We will have a bunch of ipads available to make this process quick and smooth right at the main entrance.
