

1 Million Good Nights

Pajama Program

www.pajamaprogram.org

The Holiday Season is approaching! What better way to teach the spirit of giving and caring than by donating to those in need?

With colder winters and harsher storms, Alpha Delta Kappa (ADK) wants to do MORE for the children in our communities.

With the support of both Scholastic and Carter's, the Pajama program has been able to provide local New Jersey children with warm pajamas and a nurturing book to help them sleep at night, regardless of where they might be.

Please support this wonderful cause by donating a brand new pair (or two!) of children's pajamas, from newborn to age 16.

The deadline for donations is Thursday, December 8th at Intervale School

For more information on this amazing program, visit

www.pajamaprogram.org

Thank you so much for helping to provide warm, good nights to hundreds of children!
