

The Morris County Department of Human Services and the Community Coalition for a Safe and Healthy Morris present:

Chasing the Dragon: Confronting the Opiate Epidemic in our Communities

Wednesday, November 2, 2016

5:00 pm – 9:00 pm

(Registration and buffet dinner from 5-6 p.m.)

Meadow Wood Manor, 461 State Route 10, Randolph, NJ

Prescription drug abuse is happening in our homes and in many cases leading to heroin abuse – unfortunately no family is immune to this epidemic. Please join us as we bring together a panel of experts from the treatment and prevention fields, medical professionals, law enforcement and community leaders to learn the scope of the problem, how lives are being affected, and what is being done to confront this epidemic.

The program will include a screening of “Chasing the Dragon: The Life of an Opiate Addict” produced by the U.S. Dept. of Justice and the Federal Bureau of Investigation.

The event is free of charge, but pre-registration is required.

Seating is limited, so register today! To register, go to:
