**Saturday, October 14th from noon to 4:00 pm
at Knoll Park in Parsippany.**

This is a Join Cub Scouting Event.

It is free for boys who have joined a pack this fall (or bring a completed application form to the event).

Current Cub Scouts can attend for free if they bring along a Cub Scout age friend who wants to join their pack.

Participants will build and launch a model rocket. For additional launches, we will have engines for sale at \$3.00 each. Please do not bring engines since we must be sure they are correct size.
