

Welcome Back LHS Families!!!

I would like to take a minute to explain the reason you should become a member of the PTA. It is the easiest way to support our school...and this particular fundraiser does not require you to volunteer any of your time!

In years past there seems to be some confusion for what the dues are used. By becoming a member, you are supporting all that the PTA offers to our children. A few examples are field trips, assemblies, student planners, annual carnival, field day...and the list goes on. We try to keep our fundraising as low as possible, so your full support would be greatly appreciated. This is a yearly membership; you have the choice of a single membership for \$8.00 or a family membership for \$12.00. This membership also entitles you to a vote when school issues are discussed.

*****We are the only ones who can make our school great! Wouldn't it be fantastic to have complete participation from our entire school?!?*****

Please fill out the lower portion of this form and enclose it in an envelope with either a check made payable to "LHS PTA" or the exact cash amount. Please label the envelope "PTA Memberships".
