

REMOTE ASSISTANCE LEARNING PROGRAM FOR SCHOOL-AGE CHILDREN NOW AVAILABLE AT THE PARSIPPANY PAL

E-Camp & Care is a new educational and recreational program designed for working parents in elementary schools from ANY school district who need supplemental care for their child. [It is now offered at the Parsippany Police Athletic League!](#)

You may supplement A/B school schedules with coverage that allows you to take advantage of alternating days with academic, physical, and social curriculums.

This all-day, state-licensed program will aid in supervised schoolwork while having meaningful social interactions. With programming designed to support your child's new schedule, you can have peace of mind knowing your child is in a safe, engaging, and structured environment that will set them up for success both in and out of the classroom. Group spaces will be socially distant and face coverings are required.

The Y is bringing this program to the [Parsippany PAL](#) to help your child navigate the world of virtual learning while also providing activities to make their day fun. See our website for all information on school hours, registration, fees, etc.

Your child can begin this innovative, new program as soon as March 1.
