### Information regarding Little League Baseball

Spring season runs from April until the end of June. Most games are held at the PTE complex, located in the back of Northvail School. T-ball & farm will play 1 night during week and 1 game on Saturday. Weekday games start @ 6:00 pm; time varies for Saturday. Other divisions will play approximately 2 nights & 1 Saturday game. Some divisions play inter-league which will require travel to other local towns. Parents are expected to stay at all practices & games. Managers and Coaches cannot be responsible for your child. PTE is run entirely by volunteers. Parental support is needed to maintain a safe and happy environment for your children. Volunteers who have direct contact with the children (coaches, managers, etc.), must attend and pass a certified safety course (RUTGERS). A background check will be run on all volunteers as mandated by Little League. There is a \$50.00 volunteer fee required for each family which is earned back through any one of the opportunities around the complex (i.e. Concession Stand, Coaching). To receive volunteer fee back, you must complete your task, fill out a refund form and submit to the concession stand by August 1<sup>st</sup>- no refunds will be given after that date. Any withdrawals after April 1, 2018 are subject to a \$50 penalty. There will be an annual mandatory fundraiser fee of \$30 per family that will be collected during registration.
