

Free workshop for students who need money for college!

HOW TO FIND AND GET COLLEGE SCHOLARSHIPS

TUESDAY, JANUARY 24 AT 7 PM.

Are you overwhelmed by the looming cost of college tuition? In this FREE workshop you will find out how to locate scholarships that suit your skills and attributes. We will review the different types of scholarships and a process for finding the right ones for you. Discover what's important when it comes to securing money for your education and how to write a winning essay from a writing expert who facilitated her entire college education through scholarship funds alone.
