Invention-ation Camp
August 27-31
1:30pm-4:30pm**

Invention-ation Gr. 3-5 (incoming) Cost \$180 per student

Campers will overcome a series of challenges using basic materials, simple machines, tips from famous inventors and the most important of all - their mind. With a little bit of ingenuity, campers will create catapults and forts, construct working light sticks to bring home and a set of circuits with batteries and light bulbs. While Thomas Edison said invention is 10% inspiration and 90% perspiration, this camp is 100% FUN! Great take-home experiments as well!
