

Parsippany-Troy Hills Township Schools

Education today, Success tomorrow

Community Strategic Planning Meeting

Help us create a plan to ensure that the education we provide today prepares our students for the challenges and opportunities of tomorrow!!

PLEASE PLAN TO ATTEND

Tuesday, October 18

Parsippany High School 7:30PM

The Parsippany-Troy Hills Township Board of Education is beginning a strategic planning process that will result in a three-to-five year plan to increase student achievement and improve our schools.

Strategic planning is a thoughtful, reflective process that depends on participation by all stakeholders. Your thoughts and suggestions are critical if this process is to be successful and provide the District with a meaningful three-to-five year plan to enhance our high performing district.

During the next 4 months students, teachers, administrators, parents, and community members will have an opportunity to be part of the process by responding to our electronic surveys and participating in community forums. The information gathered during this process will be used to identify areas that are effective and areas and programs that need to be addressed over the next three-to-five years.

We are inviting staff members, parents, students, community leaders, and other interested members of our community to contribute their thoughts, ideas, and hopes – so that we can continue to effectively plan the educational programs that our future students will need to be successful!
