Fall 2018

Middle School Girls Fall Program

This program is for girls in middle school who want to be trained in a competitive, team style format. Teams will be formed based on skill level, and will be provided with a fixed coach who will lead them in practices twice a week, in-house scrimmages and a local tournament. This format will allow the girls to be exposed to the same techniques and drills used by our Traveling Team staff, just as they would during our club season. In addition to practicing all of the essential skills and fundamentals, the girls will benefit immensely from learning team offensive and defensive systems. All players will receive a team jersey.

Meets: Sept. 10 to Nov. 1, 2018
